## Principal Message

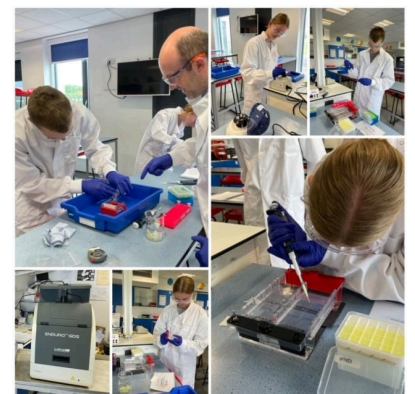

At Junior Sports day earlier, this week everyone showed amazing sporting attitudes. Well done to all of our pupils who took part with such great enthusiasm, house colours made this a spectacular colourful sporting event.

Our golf team represented Etonbury on Wednesday, playing 18 holes at Woodhall Spa, Lincolnshire, representing Bedfordshire in the National Golf Event. They came 2nd place! This is an amazing achievement. It started with 580 schools (1780 students) across England and finished today with 27 schools (81 students). Congratulations to our golfers pictured left.

We are proud to partner with the Brilliant Club, a charity that introduces students to university-style learning with a PhD tutor. This year's cohort have studied literary theory and all passed their final assignments with the equivalent of a 2:1 and above, which is a fantastic achievement. Last Thursday they went to Nottingham University for their graduation and to learn more about life at a Russell Group university. They were very impressed with the university campus and what life as a university student could consist of. They were also well deserving of the round of applause given to them by the other schools present when they collected their certificates. Thank you to Mrs Harbour-Cooper.

This year we have been able, once again, to offer DNA Gel electrophoresis biotechnology sessions to some of our students. This gives our students hands-on practical experience and a chance to use cutting-edge equipment that is now commonplace in research and industry. Last week was the turn of our A-level Biology students and this week the BTEC Forensic class will get to experience it too. [click here](#) for the full details of this amazing experience for our sixth form and A level students.

Lovely seeing the Juniors taking part in their Bikeability this week, all wearing helmets. Please ensure if your child bikes to school they wear a helmet, the safety of our pupils is vitally important to us and we have noticed a number of older students who aren't wearing helmets.

Please also remember, if you choose to drop your child at school in your car, please note the reduced speed limit of 20 mph outside the school and 5 mph on the school site. Zig zag lines indicate the part of the road where motorists should not wait, stop, or park a vehicle. To minimise congestion outside the school, we recommend that you drop your child off and allow them to walk the last part of their journey to school. Thank you for your cooperation and support.

Miss Hilsden has kindly shared her account of this year's Duke of Edinburgh awards, please [click here](#) for further details.

As we come to the end of another academic year we reflect on the past academic year and value parental/guardian feedback as part of this process. Your feedback is important to us as we strive to drive the school forward into the new year. We would greatly appreciate you taking the time to participate in our questionnaire - please [click here](#) to do so. The deadline for completion is Friday 19<sup>th</sup> July 3pm.

Finally, please remember to purchase your tickets for our **School of Rock** production, tickets are available for parents/guardians and the wider local community too. We would love to see as many people there supporting this event as possible next week. Parents/guardians can purchase tickets via ParentMail and anyone else may do so by email [etaoffice@bestacademies.org.uk](mailto:etaoffice@bestacademies.org.uk) or by calling 01462 730391.

Have a lovely weekend.

Best wishes - **Mrs. J Young - Principal**

Etonbury's program follows the Government's statutory guidance on RSE, and covers a wide range of topics that are important in the current landscape. RSE is delivered within the Personal development (PD) curriculum, both in form & lesson time and an outline of this, along with the times of the year when RSE takes place, can be found on ETA's website.

<https://www.etonbury.org.uk/site/data/files/curriculum/3C109D9C1BB65D26A684FB4520740382.pdf>

There will be opportunities for the children to discuss and ask questions during the sessions, but it is also usual that the children will want to ask more questions about specific issues when they get home, so please be prepared for any follow up discussions.

If you have any further questions about the planned RSE sessions, please contact [tgant@bestacademies.org.uk](mailto:tgant@bestacademies.org.uk)

### Year 7 Science Trip:

We are immensely grateful to the numerous teachers, volunteers, and the National Space Centre staff for making our year 7 science trip possible. It was truly an out-of-this-world experience! One of the standout features was the iconic 42-metre-high Rocket Tower, where students could view real rockets and learn about their history and mechanics. Hands-on activities reinforced classroom lessons on physics, astronomy, and engineering, making science come alive. The awe-inspiring

planetarium show was definitely one of the highlights not to be missed.

We are really pleased that we were able to provide our students with an unforgettable educational experience that will inspire them for years to come.

Thank you, year 7s for being respectful, caring and aiming higher!

Mrs Singh

## Year 8

As Year 8 comes to a close, I am thrilled to reflect on the many successes our students have achieved this year. Their enthusiastic participation in the Euros Competition, organised by Mr. Bamford, has been remarkable. It has also been heart warming to see so many Year 8 students involved in the School of Rock production. Special recognition goes to Gerald, Sade, and Max for their outstanding dedication, frequently praised by others. I eagerly anticipate watching their performance!

I would like to highlight Amanda's impressive achievement with the Etonbury Golf Team, securing 2nd place out of 580 schools (1780 students) across England. Additionally, Hannah represented us on the international stage in dance, competing in the Dance World Cup in Prague and placing 11th in this prestigious competition. Several students are also on the brink of being signed by some big football teams, and I wish them the best of luck!

This year's group is full of character, and it has been a pleasure guiding them over the past two years. In Year 9, they will have the exciting opportunity to explore new subjects during the options choice evening and select those they are passionate about for their GCSE experience. I have thoroughly enjoyed being their Head of Year, and while I am on maternity leave, Mr. Sutcliffe will be taking over in Year 9.

## Year 10

### **Parliament Tour & Imperial War Museum Trip: Years 10 and 12**

This is a combined year 10 and 12 trip, and open to all year 10 and 12 Sociology and Criminology students, and year 12 History students. Clothing should not be see-through and should cover shoulders, chest, midriff and thighs. Footwear should be appropriate for the school and learning community (no flip flops/sliders)

### Driving Lesson / Test - Permission Form

We encourage our students in learning how to drive and support this by allowing students to book lessons during their study periods. By completing the google form below, you are giving permission for your child to leave school in order to attend their driving lesson and/or test. [Driving Permission Form](#)
