

### Sixth Form Message

There has been a noticeable increase in the number of students who are using their time, expertise and experience to support year 11 students through their GCSE's studies. This is an absolute win win situation and great to see students working together as a team, striving to reach their best. Well done to all involved.

Year 13 students should by now have written their personal statements and be on their final draft. Any UCAS applications should be completed for final review by making a payment and submitting. This will allow us to make final checks before sending across to their universities of choice. Please work with you child and support them alongside us with making sure these applications are submitted sooner rather than later. Year 12 students reading this message, it's worth noting that this time next year, you will be in this position!

Our year 12 and 13 students have a law competition this weekend. After weeks of preparation, a team of our sixth form students will be competing in the [@YoungCitizensUK National Bar Mock Trial Competition](#) at Inner Temple, London this weekend. The competition aims to give young people an unparalleled insight into the judicial system, its venues and the work of senior legal professionals. Best of luck to them at what will be an exciting and inspiring event!

Meet the Mentor sessions are scheduled to take place across the school throughout the academic year on the following dates: Friday 12th December 2024, Monday 20th January 2025, Monday 9th June 2025. When these sessions are taking place our Sixth Form students will not be expected to attend during P5 and can leave site at 1.30pm.
