

Head of Sixth Form Message

It was great to meet with so many students and their families at our Year 12 Information Evening on Thursday. For those who were unable to attend please find a copy of the presentation I delivered within this week's Sixth Form bulletin.

Target grades have been communicated to Year 12 students, giving them a good sense of what they are anticipated to achieve as a minimal expectation.

This week students have been volunteering for enrichment activities and over the coming weeks students will be getting involved in a wide range of activities.

Our students have the option to participate in PE throughout the week and this is proving a great wellbeing activity, which is provided by our sport department. We are very grateful for their support and proud of our students who have fully embraced the opportunity and taken responsibility for their own wellbeing.

Last week during assembly our Year 12 students were introduced to the wider reading extra curricular which is available to them. Please do encourage your child to participate, this is a great enrichment opportunity which can be referred to within future applications.

Some of our Year 13's have been finalising their Oxbridge applications ready for submitting on the 15th, we wish them all success!

Chloe Dowden
